Hello there. We'd like to extend a warm Albuquerque welcome from a hotel that's as unique and inviting as the city it represents.

Rich in history and diverse in culture, Albuquerque has long been a popular destination. We feel you'll soon share that same fondness for the Sheraton Albuquerque Uptown. Our hotel is not only the gateway to the many attractions New Mexico has to offer, it's also the ideal place to relax and unwind after a full day of sightseeing.

Situated in the vibrant shopping and restaurant district, we offer a convenient location to just about everything.

Take a short walk from our doors and you'll find yourself at ABQ Uptown, New Mexico's premier open-air lifestyle center, and hot spot for upscale fashion, entertainment and restaurants. Our hotel is also located directly across the street from Coronado Mall, giving you even more convenient shopping options.

Expo New Mexico, site of the State Fair, is only a mile away. Putting you a hop, skip and a jump away from rodeos, carnival rides and kettle corn.

Those of you who are nature lovers will discover there's much to love at Sandia Peak. Nestled in the mountains northeast of town is the world's longest aerial tramway. Travel to the summit and you'll be rewarded with breathtaking views that command to be captured and framed.

For nine days during the Albuquerque International Balloon Fiesta, the skies are painted every color under the sun. Hundreds of balloons dot the sky, adding to the already magical landscape.
