Bus Parking/ Unloading

The East Parking Lot has ample bus parking and an entrance where busses are able to pull directly into our parking lot right to unload and/or park.

when going North on Louisiana, pass the hotel on their right and take the first street "Phoenix" just past hotel, then take a right on "Chama" and you can drive right into the hotel parking lot.

There is a street entrance there & I have attached a map to this email, the red "X" the East entrance off "Chama" Once in the lot, you can maneuver to pull directly up to the hotel's East entrance to unload.

Noted with a **Blue arrow**.
